

## About LinkMobility

**LINK Mobility Group AS** is Europe's leading provider within mobile communications, specializing in messaging, digital services and data intelligence. The Group offers a wide range of innovative and scalable solutions across industries and sectors, creating valuable digital convergence between businesses and customers, platforms and users. The Group is headquartered in Oslo/Norway and is owned by Abry Partners, located in Boston, USA. LINK Mobility continues to experience strong organic growth as clients move more business activities onto the mobile platforms. In 2018, LINK Mobility had a total turnover of 2,6 billion NOK with offices in Norway, Sweden, Denmark, Finland, Estonia, Latvia, Bulgaria, Germany, Spain, Poland, France, Switzerland, Austria, Italy, UK and Hungary.

LINK Mobility has more than 20 years of experience within mobile communications and has over the years become a central player in this market.

Whether you need standard SMS solutions or a vendor to assist your company in developing a new mobile solution (from the consulting phase through project development and to a final product launch) LINK Mobility is the right choice.

LINK Mobility Group has more than 500 skilled employees located around Europe, and holds a substantial market share within mobile communications and mobile solutions.
